### GUARANTEED SERVICES CONTRACTS

Ohio Valley Grain Inspection, Inc. offers volume discounts. This offer applies to officially graded barges and officially graded railcars.

**Discount Term:** Ohio Valley Grain Inspection, Inc. must officially grade ninety percent (90%) of all samples. The discount will apply to each of the carrier types meeting the 90% minimum requirement. The applicant's total volume is measured commencing with the contract date and ending twelve months from that date. The total volume must be verified through O.V.G.I.

**Verification Conditions:** Verification can be accomplished by submitting a statement of volume from each signatory (elevator) for the one year period covered in each contract. The volume verification statement must become part of the Ohio Valley Grain Inspection, Inc. official records and the signatory must allow FGIS assess to their volume records for the particular type of carrier and time period in question.

**Penalties For Non-Compliance:** Failure to meet minimum volume requirements will result in an additional billing to the amount of discount taken plus 4% of total billing.

**Fee Collection:** Statements will be sent Bi-Monthly. Payment will be due fifteen days from statement date.

Any other request for inspection service will be handled as a request for service outside the contract, and applied to current schedule of fees and charges.

The following discount rates will be applied to guaranteed service contracts:

Barges	\$ 2.48
Railcars	\$11.60

All of the above charges also include stowage examinations.

All the above discounts are a twenty percent discount per carrier, no daily minimum required, and must be ninety percent of volume per contract year.
